Itinerary for 13 Day 11 Night Tour

Bersukaria Tour is a travel agencies who aim to take our travelers to explore undiscovered side of Indonesian cultural heritage, the country's history and its natural beauty. But by the mean time, we are still focusing on promoting heritage of Indonesia.

We are combining the travel experience, the adventure, cultural learning and a little injection of historical knowledge and facts about the places that we are going to visit to provide you the clearer picture of why we are here and where these things are come from.

For your information: "Bersukaria" itself was taken its name from the only song ever written by our first president, our founding father, H.E. President Soekarno.

We are part of ASITA
